About

I graduated from Bahir Dar university I have studied Basic Education(BED) in information Technology. As a graduated I have a passion for education and international development. My academic background includes Basic Education(BED) degree in Information Technology , where I focused on strategies for improving educational access and quality in underserved communities around the world. Beyond my academic preparation, I have lived and traveled extensively in many parts of Ethiopia, giving me valuable cultural context , I am committed to helping students unlock their full potential and empowering them to become the next generation of leaders in Ethiopia

Education

Bachelor of education in Information Technology

Bahir Dar University

GPA: 3.54

Jul 2024: Graduation date

Work experience

Aug 2023 - Present

2 month Practicum in Shumabo secondary and preparatory school

I had the opportunity to lead a team of five students in designing and implementing a community education project in Shumabo secondary and preparatory school in Bahirdar city. Our goal was to establish an after school tutoring program to support secondary school students who were struggling academically.
